HOTELS AND RESORTS

The 13 Sexiest Hotel Rooms in the World

by Jennifer Salerno

October 19, 2015

Perhaps it's the centrality of the bed or the dim lighting—or maybe it's just the added thrill of sleeping somewhere new and unsullied by the piles of dirty laundry and other physical reminders of tasks unaccomplished that line our bedrooms at home—but [there's something about hotel rooms that's just sexy.](#)

But some hotels take things even further. With romance-enhancing amenities like outdoor showers, beds under the stars, fireplaces, and special welcome kits that can certainly make a person feel more...welcoming, these 13 hotels and resorts set the mood in no uncertain terms:

The Line, Los Angeles

With its central Koreatown location, proximity to exceptional restaurants and nightlife, and gritty-cool cityscape aesthetic, the Line is a jetsetter's choice. Each luxe room is framed with a wall of windows overlooking the Hollywood Hills and surrounds. The hotel itself has a vibrant nightlife, with a bar, dance floor, and live performances on site. But for those who prefer more private recreation, each room's minibar is stocked with an "intimacy kit."
